

CASA MACA  
HOTEL RURAL

Your home... away from home

# Casa Maca

Casa Maca is an intimate, rural hotel in the peaceful hills of Can Palau, just outside of Ibiza town and within minutes of the airport. With spectacular views of the iconic Dalt Vila skyline, heavenly blue skies and the shimmer of the Mediterranean Sea ahead and green hills behind, it is one of the most iconic Ibiza setting you could dream of for your island getaway.

In the local Ibicencan dialect, maca translates to beautiful and there couldn't be a more apt description. The true essence of Casa Maca is what sets us apart and this winter, you can rent the hotel rooms exclusively for small group, promising peace, discretion and nature's bounty at your fingertips.
